## Art Ballets Russes Schouvaloff Alexander Yale

**the lifar collection and the art of the ballets russes** - alexander schouvaloff's rather awkwardly titled *the art of ballets russes* is more than just another beautifully illustrated book showing the celebrated designs created for the diaghilev company. **diaghilev's gesamtkunstwerk represented in the productions** - "diaghilev's ballets russes: the first phase" (1996), schouvaloff draws the parallel between wagner and diaghilev's synthesis of the arts; however, this concept is left unexplored in his article. **[poster], ballets russes de diaghilev paris: 1939 ...** - late alexander schouvaloff, who suggests that in this poster: "cocteau mischievously made karsavina uncannily resemble himself." serge lifar in 1939, ten years after diaghilev's death, organized a huge retrospective exhibition about the ballets russes which opened on 27 march 1939 at the musée des arts décoratifs. this was the first significant celebration of diaghilev after his death ...
